Published How-to Books

Rose will soon republish the quilt books she wrote for her mother's quilt shop students.

- **1992** - *Adventures in Quilting* published by Pioneer Publications - re-print and expanded version to 90 pages of the beginning book published in 1985. See below.

- **1989** - *Folk Art Sampler Quilt* published by Pioneer Publications - This book provides patterns and directions for a quilt designed by her mother Evelyn Rose. The quilt was photographed for a Fairfield batting ad. It was also featured on an AQS (American Quilters Society) calendar.

- **1989** - *More Adventures in Quilting* published by Pioneer Publications - Another how-to book of 51 pages with patterns for a sampler. Rose again wrote her mother's quilting techniques. This book was used to teach intermediate quilters.

- **1985** - *Adventures in Quilting* published by Pioneer Publications - A how-to book of 48 pages for beginning quilters. Rose used her photographs to illustrate the book and wrote her mother's quilting techniques. This book was well received by many beginning quilters both nationally and internationally. (out of print) It was replaced in 1992 by an expanded version. See above.
